

Fair Dos Click and Collect product list (last updated 9/08/2021.)

Fair Dos is now open Tuesday, Wednesday Friday and Saturday.

Staff will read emails as early as possible after opening so click and collect orders can be made for any of the days that we are open. Orders will be completed as soon as possible. If there are any queries we will try to contact you if necessary.

To order for collection from Fair Dos shop please send an email to info@fairdos.com, using the subject CLICK AND COLLECT in the form of a shopping list stating exactly which items you want, including the size/price and quantity.

Please include your name on the email and phone number where we can contact you about any issues, or to let you know it is available for collection.

Payment will be taken when you come to the shop to collect. Payment may be made by card or cash in the shop.

Please come in by the front door of the shop (even if you have used the back door previously).

Please be aware we may have a limit on the number of customers in the shop, so you may need to wait outside.

The afternoons are quieter than the mornings.

We will try to keep the list up to date but all items are subject to availability. Not all our suppliers are able to deliver the full range of products at present.

** indicates that we do not necessarily stock this variety but can order them for you if desired. This may take a week or more.

o/s indicates this item is out of stock with our suppliers but they (and we) will be trying to source it in the future.

Item	Pack size	Retail price	
Jenipher's Coffee imported directly from the growers in Uganda, roasted in Wales. Medium roast. Loose or prepacked.
